Re: Case No. 92-170
Cellular One/Central Kentucky
Cellular Telephone Company

Dear Mr. Claude G. Rhorer, Jr.,

This letter is in reference to the aforementioned case. I am writing to voice my opposition to this action. The reasons I am against this are as follows:

1. I have spoken with several engineers that have informed me that there is a possibility that Cellular One's tower will interfere with my satellite Tele-visions transmission.

2. As a property owner I am also greatly concerned at the distinct possibility that this action will devalue the property in this area.

3. I also feel that this tower will be an eye-sore in this area.

Due to these facts I wish that my opposition should now be acknowledged to all involved parties.

Sincerely,

R. W. Coomer
